Mr. Stein reported that a technology council meeting scheduled in April was postponed. They intend to meet prior to the Remake Learning events later this month. Mr. Stein also reported that the Rotary Club of Hampton Township received 21 scholarship applications. Dr. Cunningham said the District is grateful to the Rotary for providing Hampton seniors with an opportunity to apply for three Rotary Scholarships for \$2,500. She noted that the committee which reviewed the applications was delighted with the strengths of all Hampton students who applied. The three awardees will be honored at the Academic Awards Night on May 5.
