

HAMPTON TOWNSHIP SCHOOL DISTRICT SUMMER PROGRAM 2018

Session I: June 18 - June 22
Session II: June 25 - June 29
Session III: July 23 - July 27 > Camp Invention

GENERAL INFORMATION (Sessions I & II)

Students currently in Grades K-11 may register for the summer program. Immediate registration by mail is recommended. Complete the attached registration form and health form and mail your check or money order, made payable to:

"HAMPTON TOWNSHIP SCHOOL DISTRICT"

Mail to : **HTSD Summer Program - 2284 Wyland Ave, Allison Park, PA 15101**

While registration by mail is recommended, in-person registration will occur Tuesday, June 12th and Wednesday, June 13th at Hampton Middle School from 9:00 AM to 12:00 PM, in the Main Office. This program is open to both Hampton residents and non-residents. Tuition cannot be refunded after June 18th; however, a credit will be issued for a later session or the next year for student cancellations after the deadline.

CLASS TIMES: Classes meet for five consecutive days, Monday through Friday, at Hampton Middle School.

****DROP-OFF****

Students should enter through the library entrance, door #16, which is at the rear of the Middle School. Students will report to the library where they will be met by their teachers.

****PICK-UP****

All students will be escorted to the parking lot outside the library entrance, door #16. Please plan to meet your child there. If you have made arrangements for your child to carpool with another student, you must provide the teacher with a note.

GENERAL INFORMATION (Camp Invention)

Camp Invention is a nationally-recognized STEM program where students will have the opportunity to work together in a hands-on environment (please see page 7 for more details). This camp is held at WYLAND ELEMENTARY the last full week in July. The K-5 Camp Invention Program is a full-day camp, 8:30 am to 3 pm. Please drop off and pick up your child at the front entrance of Wyland Elementary.

QUESTIONS: Laurie Tocci or Michael Silbaugh
 412-492-6346 412-492-6358
tocci@ht-sd.org silbaugh@ht-sd.org

Starting June 18th, the Summer Program Office will be located in the Middle School Library.

Please call 412-492-6362 June 18th-June 29th.

****SNACKS****

Students are encouraged to bring their own snack for a mid-morning break.

****NURSE****

A certified nurse will be on duty.

****STUDENT PARKING****

High School students who wish to drive must park in the lot across the street from the Middle School, adjacent to the stadium.

COURSES WITH INSUFFICIENT ENROLLMENT MAY BE CANCELED.

Parents will be notified ONLY if a course has been canceled.

#001-1 SUMMER THEATER

Grades: K-5

THIS IS A TWO WEEK COURSE: 9:00 AM - 12:00 PM JUNE 18-JUNE 22 and JUNE 25-JUNE 29

Come and join our elementary summer theater program! Our goal is to present a production of an age appropriate show. We are hoping to improve the student's self-confidence, expression, and public speaking skills in a fun and creative way. Students will participate in various drama games and activities that will develop their acting skills. The students will audition for roles and learn to work cooperatively with each other to learn their lines, as well as to create scenery. Throughout the program, the students will be required to memorize their lines, perform, design set decorations, learn music, and develop costumes for their performance. Please join us on Friday, June 29, at 11am for our performance!

Instructors: Greg Shumaker, Melissa Survinski

Fee: \$170

Room: Auditorium

#002-1 SUMMER INTRAMURALS

Grades: K-5

SESSION I - 9:00 AM TO 12:00 PM*

Summer Intramurals is a chance to play team sports and other games in a semi-competitive environment where the focus is movement, fitness, teamwork, and just playing to play. We will play a variety of outdoor and indoor team sports and games depending on the grade level.

Instructor: Andrew Petruska

Room : Main Gym

*Also offered in Session II

Fee: \$80

#003-1 MAZES GAMES AND MORE!

Grades: 2-4

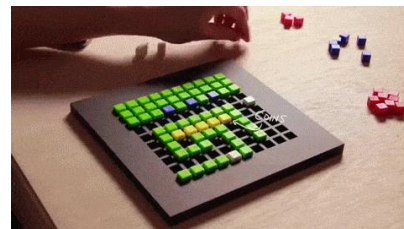

SESSION I - 9:00 AM TO 12:00 PM

Students will be inspired to solve creative challenges using **Bloxels and Sphero SPRK+** on the iPad. Students will be given the opportunity to build their own game and code their way as they navigate through mazes.

Instructor: Meredith Rea

Fee: \$85

Room: G702

#004-1 INCREDIBLE EDIBLE SCIENCE EXPERIMENTS

Grades: 2-5

SESSION I - 9:00 AM TO 12:00 PM

Have you ever thought of your kitchen as a science laboratory? There are many similarities between a chemistry lab and a kitchen. Come experience a science lab where all of your creations are edible!

We will be experimenting with different ingredients and how they interact with each other. We will also be creating mixtures and chemical reactions that taste delicious!

Instructor: Nina Griffith

Room: D405

Fee: \$90

#005-1 ART EXPLORATIONS

Grades: 3-5

SESSION I - 9:00 AM TO 12:00 PM

Do you love to explore and create with art materials? If you like to try new things in art, this may be the class for you! Each day, we will explore a new medium. Students will draw, paint, sculpt, weave, and print. Please bring a pencil, sketchbook (if you have one) and wear an art shirt to class.

Instructor: Kelly Koble

Fee: \$90

Room: B209

#006-1 BEGINNING COLOR GUARD

Grades: 3-5

SESSION I - 9:00 AM TO 12:00 PM

Do you love to dance? Please join us as we learn the basics of Color Guard. Color Guard combines dance and spinning flags into an exciting and entertaining art form. Super fun! The class will end with a special performance for parents, family and friends.

Instructor: Lurrene Parker

Fee: \$80

Room: Auxiliary Gym

#007-1 PROGRAMMING FUN!

Grades: 3-6

SESSION I - 9:00 AM TO 12:00 PM*

Do you love to play video games? In this camp, you will learn the basics of computer programming using Hopscotch, Tynker,

and Cargo-Bot to create your very own unique games and animations! After learning how to create them, how about using your reading, writing, and math skills to create amazing and unique worlds in Minecraft?

Instructor: John Lee

Fee: \$85

Room: D409

*Also offered in Session II

#008-1 KIDS COOKING: WORLD CUISINE

Grades: 4-7

SESSION I - 9:00 AM TO 12:00 PM

Come travel the world through food!

Students will have hands-on experience preparing and tasting dishes from American, French, Asian, Italian, and Mexican cultures. One day will be spent on each culture. In addition to the food preparation, students will learn about meal-time traditions that surround each dish, which are specific to its region of the world.

Instructor: Rebecca Schratz

Fee: \$90

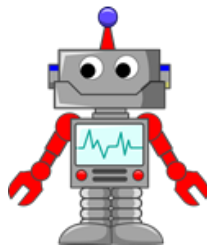

Room: C308

#009-1 ROBOTS IN MOTION

Grades: 4-7

SESSION I - 9:00 AM TO 12:00 PM

Discover the world of robots exploring the **Hummingbird and Finch robots!** Using the Finch Robot you will learn to program a robot to move with lights and music, traverse through a maze, and much more! You will also craft and code your very own robotic creation using the Hummingbird Robotics Kit, programming tools, and imagination. The robots aren't the only ones who will have an amazing time!

Instructor: Joe Cangilla

Fee: \$85

Room: D408

#010-1 MATH SAT PREP

Grades: 9-11

SESSION I - 9:00 AM TO 12:00 PM

This quick SAT Preparation course for the **recently redesigned SAT Math** will provide a review to further develop mathematical skills including numbers and operations, algebra, geometry, measurement, data analysis, and probability. All of these subjects are eligible content for the SAT. The students will learn test-taking strategies geared to both multiple choice problems and open-ended questions. Students will practice these skills by interacting in activities on the Smart Board and by taking multiple practice tests. The course will follow *The Official Redesigned SAT Study*

SAT

Guide, which can also be used in the Reading and Writing SAT Prep course. **Students must purchase a copy of this book the first day of class (please bring \$20).**

Instructor: Amy Leya

Fee: \$80

Room: G708

#002-2 SUMMER INTRAMURALS
Grades: K-5
SESSION II - 9:00 AM TO 12:00 PM*

Summer Intramurals is a chance to play team sports and other games in a semi-competitive environment where the focus is movement, fitness, teamwork, and just playing to play. We will play a variety of outdoor and indoor team sports and games depending on the grade level.

Instructor: Andrew Petruska
 Room: Main Gym Fee: \$80
 *Also offered in Session I

#011-2 KITCHEN COOK-OFF
Grades: K-3
SESSION II - 9:00 AM TO 12:00 PM

Come together to battle with your peers for the best tasting and healthiest dishes. Students will create recipes that include one protein, one veggie and fruit of different colors, one whole grain, and one dessert. As a culminating activity, the students will cook for a panel of expert judges.

Instructor: Rebecca Schratz Fee: \$90
 Room: C308

#012-2 BREAK-OUT TIME
Grades: 3-5
SESSION II - 9:00 AM TO 12:00 PM

Do you like solving puzzles? Players will use teamwork and critical thinking to design challenging puzzles in order to open the locked box. Students will develop a compelling story, time limit, and series of puzzles to create an interactive game.

Instructor: Nina Griffith Fee: \$85
 Room: G703

#013-2 BEGINNERS FUSED GLASS
Grades: 3-5
SESSION II - 9:00 AM TO 12:00 PM

Students will be introduced to the different mediums of fused glass. They will learn about the tools used and some cutting. We will complete 2 small projects, using sheet glass, stringers, noodles, and frit.

Instructor: Marla Kohan Fee: \$90
 Room: B209

#007-2 PROGRAMMING FUN!
Grades: 3-6
SESSION II - 9:00 AM TO 12:00 PM*

Do you love to play video games? In this camp, you will learn the basics of computer programming using Hopscotch, Tynker, and Cargo-Bot to create your very own unique games and animations! After learning how to create them, how about using your reading, writing, and math skills to create amazing and unique worlds in Minecraft?

Instructor: John Lee Fee: \$85
 Room: D409
 *Also offered in Session I

#014-2 BABYSITTING
Grades: 3-7
SESSION II - 9:00 AM TO 12:00 PM

Successful babysitting experiences require the caregiver to provide a fun and safe environment. This course provides future babysitters the opportunity to learn about safety, proper nutrition and behavior management. In addition, students will create games and activities, as well as materials for advertising. By the end of the week, students will have had the opportunity to become CPR CERTIFIED. All participants will receive a certificate of completion.

Instructor: Kelsey Young Fee: \$95
 Room: G702

#015-2 INVENT YOUR WORLD

Grades: 3-8

SESSION II - 9:00 AM TO 12:00 PM

This workshop will empower students to create solutions to real-world problems with **LittleBits and Makey Makey!** Use it, improve it, then inspire others! Students will engage in problem solving, creative thinking, and collaboration. Be the next Einstein!

Instructor: Tamara Ammon

Fee: \$85

Room: D408

#016-2 ROBOT C

Grades: 7-9

SESSION II - 9:00 AM TO 12:00 PM

Discover the world of virtual robots exploring the ROBOT C programming

language. ROBOTC is a powerful C-based programming language with a Windows environment for writing and debugging programs, and the only programming language at this level that offers a comprehensive, real-time debugger. ROBOT C is a Cross-platform solution that allows students to learn the type of c-based programming used in advanced education and professional applications.

- ROBOT C uses the industry standard C-programming language.
- ROBOT C has the same form and feel, often even the same command names, as professional tools used on other systems.

Instructor: Hartley Kennedy

Fee: \$85

Room D415

#017-2 READING & WRITING SAT PREP

Grades: 9-11

SESSION II - 9:00 AM TO 12:00 PM

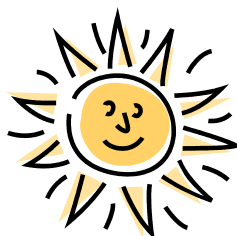

Feeling anxious about the **recently redesigned SAT**? Calm your fears with preparation! In the Reading and Writing SAT Prep summer course, we will review concepts found on the SAT's including vocabulary, passage comprehension, sentence structure, grammar, usage, and composition. We will also cover test taking strategies for multiple choice questions and timed writing assignments.

The course will follow *The Official Redesigned SAT Study Guide*, which can also be used in the Math SAT Prep course. **Students must purchase a copy of this book the first day of class (please bring \$20).**

Instructor: Mark Weaver

Fee \$80

Room G708

DRIVER'S EDUCATION
SESSIONS I & II: June 18th - June 29th
OFFERED THROUGH CCAC

CCAC DRIVER EDUCATION
CLASSROOM THEORY

SESSIONS I AND II THIS IS A 2-WEEK COURSE

June 18-22 & June 25-June 29

9:00 AM TO 12:00 PM

Course: YOU-820-1470 (30 Hours)

Fee: \$139.00

***** STUDENTS ARE REQUIRED TO
ATTEND ALL 10 SESSIONS *****

This class is offered by CCAC but will be held
at Hampton Middle School in Room G707.

CCAC/KENNEDY SCHOOL OF DRIVING
PRACTICE DRIVING

Offered beyond the 30 hour Classroom Theory course.

Course: YOU-030-1470 (6 Hours by appointment)

Fee: \$339.00

This is a practice driving Class. The driving instructor is no longer able to administer the driver's license test.

Successful completion of this course may result in a short-term benefit of reduced insurance premiums.
