

Welcome Parents

Welcome to Apangea Math

Dear Parent or Guardian:

Your school has partnered with Apangea Learning to provide the award winning service, Apangea Math, to your child. This exciting program is available to your child through any computer with an internet connection.

How can you help? Encourage your child to access Apangea!

Just visit www.apangea.com to login with the username and password provided below. Your child will work with their own personal avatar (the computer) and also get additional support from **live, certified math teachers**.

Live Teacher Hours (All times eastern. Apangea Math is 'on' 24/7)			
Mon – Thurs	7:30 am – 12:00 midnight	Saturday	11:00 am – 3:00 pm
Friday	7:30 a.m. – 10:00 pm	Sunday	6:00 pm – 10:00 pm

Your child will earn points in Apangea Math that can be redeemed for rewards or donated to charities. Your child can also participate in individual and class contests and competitions all year long!

If you have your child's username and password, please write it in below (post it by your computer.) If your child does not have a username and password, please contact your teacher, principal or Apangea Customer Service at 866.357.8664.

Student Username:	<input type="text"/>	Student Password:	<input type="text"/>
--------------------------	----------------------	--------------------------	----------------------

Remember, math can be pretty hard work. It takes several problems to really get used to Apangea Math. Hang in there. The Apangea 5 step process will make a difference in your child's life. It takes some work, but it's worth the results. And we will be there, with your school, every step of the way!

Sincerely,
The Apangea Learning Team

Assessment. Instruction. Motivation.

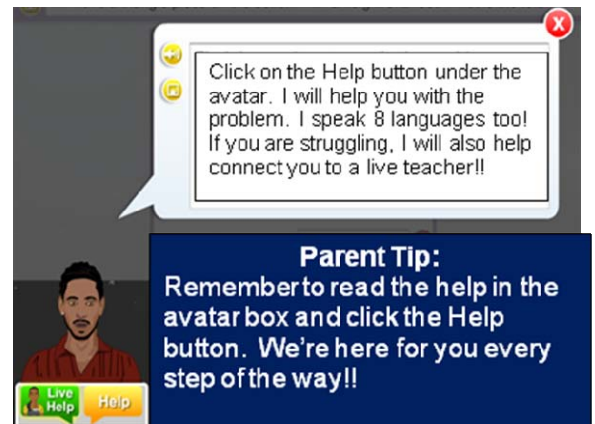

Set Expectations

What you can do

Remember, it's all about the success of your child. Here are some pointers to help your child achieve more.

- **You don't need to know the math.** Apangea Learning has built-in supports for your child throughout the program. And with live, certified math teachers, expert help is just a click away!
- **Read with your child.** The avatar will provide help for your child. Click the audio button (it's available in 8 languages!) Also, try reading along with them or suggest they read the help messages aloud. This often leads to that "ahhh ... now I get it" moment. Stuck? Click on LIVE HELP to talk to a certified teacher!
- **Encourage your child.** Ask what they are working on; what is going well, and what they are finding difficult. Let them know that their hard work is paying off by checking on their points and progress.
- **Explore.** There are lots of resources to explore and cool features like choosing your very own avatar. You can track points and see how you're child is doing. See if your favorite charity is on the "Redeem Your Points" list?

Setting expectations is very important. We have provided some examples.
Can you think of more?

- **Set a specific time** for your child to access Apangea Math.
- **Limit noise** and interruptions.
- **Headphones** (or turn on speakers) are important. (Lessons, advice from the avatars, teachers, etc.)
- **Ask the program for help**, as much as you want to help your child, giving them the answer makes the system believe they are ready to move on to more difficult concepts.
- **Report any technical problems** to Apangea Customer Service.
- **Check your points!** It can be fun to set goals for 250, 500, 1000 or even 10,000 points!!

Assessment. Instruction. Motivation.

Let's Get Started!

Apangea Learning

BRINGING LEARNING TO LIFE.

Before you begin, check your points; and see if you have any new messages. There are also contests and competitions all year long. What competition do you see now? Once you are ready, just click **Start Math!**

View up-to-the-minute point totals. **Are you on the leader board?**

Point leaders are listed for work done over the past 30 days. You'll see the point leaders in your class, your district and even overall—across the country!

Click the '**Redeem Your Points**' button to choose from a list of available items and charitable organizations. All awards are sent to the school for your child.

Apangea Points		
	Rank	Points
Math:	-	0
Rewards:	-	-0
Total:	70426	0
Class - Past 30 Day Points		
District - Past 30 Day Points		
Overall - Past 30 Day Points		
1	Tanmay S.	43924
2	Dustin T.	39199
3	Hannah M.	29683
4	Janiya B.	29429
5	Jared E.	28576

Avatars, Live Teachers and Word Problems

There are 5 steps to success in the Apangea process, can you think of other ways to use them?

Track your progress!

Not sure what to do next?

Apangea reads to you in **8 languages**. Be sure to turn on your speakers (or headphones!)

There are lots of tools and settings. Who is your favorite avatar?

Your avatar is always available. Help is just a click away!

Connected to: Gerald

I'm a certified math teacher. I can see your work and talk to you.
