

# UPCOMING PARENT TRAINING EVENT

The Hampton Township School District Special Education Department is pleased to host these programs, designed to provide an opportunity for training and information sharing for parents. The evening workshop will include a presentation on the following topic:

## Navigating Sexuality

This training aids parents and professionals who are supporting people with disabilities to address sexuality in a healthy, safe, and useful way rather than dismiss or ignore it. Simple strategies and skills, as well as more complex and advanced strategies and skills, can be taught in order to support a person to wade through sexual feelings, build relationships, and navigate dating.

## About Shawn McGill

Shawn McGill began her career in human services in 1998, where she provided direct support and service to people with intellectual and developmental disabilities that expressed very strong communication that manifested as challenging behaviors. She continued in various clinical and management roles until starting the company SMC in 2012.

Education:

- B.A. Psychology and Sociology with Counseling Certification from Carlow University
- Masters of Social Work (Direct Practice) with Gerontology Certification from the University of Pittsburgh
