

5th Grade School Supplies 2014-2015

Please note: No backpacks with wheels. (It will NOT fit in your child's locker.)
 No Trapper-Keeper Style Binders please. Thank you for your cooperation.

Each year, the Central Elementary 5th grade teachers compile a list of school supplies your child will need for his/her 5th grade school year. The teachers request that you purchase these items over the summer and send them with your child on the first day of school.

In an effort to reduce costs, ensure that the correct supplies are purchased, and eliminate shopping trips for parents, the Central PTO has teamed up with Office Depot to offer a 5th Grade school supply package. The PTO is able to purchase all items on the list below (in bulk) at a reduced rate from Office Depot. The savings are then passed along to you.

Below you will find a cost comparison between retail prices and the PTO's reduced prices. If you wish to purchase your child's school supplies through our PTO program, please fill out the order form below and return it to the office by **JUNE 3, 2014**. Your child's supplies will be ordered and delivered to his/her classroom on the first day of school. The PTO will add \$1.00 to the total price of the kit to offset administrative costs. This offer is good only through the Central PTO and **must be purchased by JUNE 3, 2014**. If you have questions, please contact Linda Bagley at 724-443-4165.
