The Hampton High School Yearbook Staff understands that some members of the community prefer to use a name other than what was legally given to them. Therefore, we will be providing students with the opportunity to indicate the name they would like to have published in the 2019-2020 Yearbook.

If you wish to be referred to by a name other than what you were legally given, or if you are called by your middle name, please fill out this form and return it to the High School Office by Fri. May 1, 2020.

It is crucial that all information you provide is accurate, respectful, and representative of how you would like it to be published. The requested change will be reviewed and considered by the Yearbook Staff and District Administration.

All starred information below is required for review of your request. Please write legibly.

Your Legal Name (please print)*

Your Preferred Name*

Your Signature*
