***High School/Middle School
Permission for Educational Travel with Family***

Your child's education is very important to you and to us. **We advise you to schedule family travel during school vacations.** However, we recognize that family travel can conflict with the school calendar. Please adhere to the following guidelines when you are making **family plans for educational travel**:

- We expect students will be traveling with parents. The **High School/Middle School Student** is responsible for getting course assignments, completing all learning objectives, and making up all course work. **All work will be graded the day of return, unless otherwise arranged with specific teachers.**
- The **High School/Middle School Student** is responsible to secure teachers' signatures for each class **at least one week (5 school days) in advance** of the family trip.
- These trips will not be approved if scheduled during a student's PSSA testing/standardized testing sessions, AP testing, or final exams.
- **The maximum number of educational travel days allowed per year is 5 (five).**

Please write a brief explanation explaining how travel will be educational:
