PLEASE TURN PAGE OVER

Welcome to Hampton Middle School PTO for the 2019-2020 School Year!

The HMS PTO is a team of parents & HMS staff who are seeking ways to enrich our children's middle school experience. You are invited and encouraged to support our students & staff by getting involved with the membership drive & volunteer opportunities throughout the year! **In lieu of the volunteer form, only one form is necessary this year to be included on the PTO distribution list.** Here are ways for you to be part of the team!

- #1. **Return the Membership/ Directory/ Volunteer form! (see reverse side)**
This will ensure you receive information about what's going on at the school, plus opportunities for you to volunteer and be involved.

- #2. **Participate in the Membership Drive (see reverse side)**
HMS PTO doesn't participate in typical fundraising activities. We generate funds through the membership drive, donations to the Educational Support Fund, and PTO-sponsored events. The money raised goes directly back to the students through our various programs and services. You can be part of the team by making a contribution of \$20 to our membership drive. With this contribution, your family will receive a student directory. Please complete and return one form per family in the enclosed envelope by the first day of school. Only forms for the 2019/2020 school year forms will be included. Forms received after Thursday, September 15 will not be included in the directory.

Another way you can show your support is by making an additional donation to the Educational Support Fund, which provides valuable financial resources for teachers and students. The more we receive in donations, the more assistance we can provide for our students! These funds have been used to support events such as: New Family Picnic, underwriting various field trips, Story Telling Workshop, Greek Olympics, Battle of the Books, Be the Change Day, Medieval Day, Book Café, 8th Grade Day at Waldameer Park, 8th Grade Dinner Dance and More!

- #3. **Volunteer!** We encourage parents to get involved by volunteering at fun events and activities planned throughout the school year. Please look for email communication describing the events and asking for help! We often use SignUpGenius.com to organize and schedule volunteers. By returning this form you will receive all email communication from the PTO regarding volunteer opportunities.

- #4. **Get your child abuse clearances & background checks!** New PA state laws are requiring parents who wish to volunteer at events in which they will have direct contact with students, to provide clearances & background checks to the school. If you don't already have them, start the process today! Please visit Keepkidssafe.PA.gov for more information.

- #5. **Come to the PTO Membership meetings!** The best way to stay informed about HMS and PTO happenings is to attend PTO membership meetings scheduled throughout the school year. The meetings include an overview of recent PTO business and concerns, and updates from HMS administrators on current school matters. Look for email reminders and confirmation of dates and time.

TEAM PTO is looking forward to another wonderful year at Hampton Middle School. We thank you for your support, both now and throughout the year! Together, we make a great team! Contact us with any questions or concerns at hamptonmsptopresident@gmail.com.
