

Poff Parent Teacher Organization

A message from our PTO President:

Dear Parents and Guardians,

Poff PTO board would like to welcome you to the 2020-2021 school year. This year will truly be unlike any other. As we start this special year together during the time of the COVID 19 pandemic, please remember the mission of the PTO - to positively impact the lives of Poff students along with supporting our school and faculty. Together at Poff, we accomplish this mission through our wide-ranging efforts by supporting school and district programs, supporting the school community through family events, and giving direct help to the teachers/staff at Poff.

If this is your first year at Poff Elementary, I would like to extend a very warm welcome to you. If you are a seasoned Hampton family, I know that you are as excited as I am to be getting the kids back to school. Whether a new PTO member or a returning member, we thank you for your contributions, time, and commitment to our organization, our teachers, and most importantly, our students! As a member of the Poff PTO, you are a voice for our kids. It really is a rewarding experience!

As I start my first year as your PTO President, I am looking forward to continuing the working partnership we have established with HTSD, our lovely Principal Dr. Hannagan and our amazing teachers and staff. We will continue to provide an excellent learning experience for our children with the support of our members.

This year, the PTO board has worked really hard to transform our welcome packet to be completely online so we can avoid paper copies being sent home. We encourage everyone to consider the PTO contribution. In addition, we encourage you to attend our meetings, volunteer in any way you are able and participate in our events and fundraisers. Please check out the events calendar for other exciting news and fundraising efforts for this school year!

Poff Elementary is truly a special place. We have an amazing community of students, parents, teachers and staff. Contributing to the Poff PTO only enhances and strengthens this relationship. Thank you for helping to make every students potential a reality.

Let's have a great year!

Sincerely,
Reema Troiana
Poff PTO President
