

Hampton Township School District
Transportation Adjustments for September 16th Sample Road Closing

The School District was notified that Sample Road will be closed at the railroad crossing from Saturday September 14th to Monday, September 16th. The District will make the following transportation adjustments for Monday, September 16th and any unforeseen closing days after September 16th. Fortunately, there are only 22 students affected by the closure. We will make every effort to contact each family individually, but wanted to publicize the entire plan for reference purposes.
