2019-20 SCHOOL YEAR**

This document is a summary of the key points in Hampton Middle School's Title I Policy. Any parent, who would like access to the policy itself, may contact the RtII teachers.

- The school will send letters to inform parents of their child's qualification for Title 1 resources and participation in the RtII program.
- An overview of the Title I program will be presented at a building-level meeting. This meeting will take place in the library at Hampton Middle School on Thursday, October 3, 2019.
- Information regarding assessments, testing dates, and resources will be made available to parents at the meeting and via the District website.
- Parents are encouraged to contact the school's RtII teachers for progress updates, and/or resource materials, and to provide suggestions to improve the program.

We welcome parent input specific to the individual child and the overall program. If you have specific suggestions, please contact one of the RtII teachers listed below.
